

Bringing **Light** to **Life** Competition

WIN £250 voucher prize

Top Tips

- 1 Use images and photographs of the organ you want to focus on and explore shape, colour, pattern and texture.
- 2 Remember that you don't need to use everything you have collected.
- 3 Look carefully at the items you are using. Turn them over and look at them from different angles to make sure you have thought what recycle plastic to use.
- 4 Group similar colours together before you start to see what you have. Look for any possible patterns or colour shades you might like to use.
- 5 Try drawing and/or laying out your ideas first.
- 6 Will your piece of art stand up, be flat or hang?
- 7 Think carefully about how you will join sections together and don't do this until you've worked out a way to attach different pieces together.
- 8 If you are making sculpture, think about how it will look from different sides – remember to use look at the image/ photograph of your chosen organ.
